With reference to the above, I have to state that as there was no Divisional Accountant for the office Sri B.Parameshwara, Upper Division clerk was entrusted with the duty of supervising the work of 3 Lower Division clerks. It is to be noted that all these 3 Lower Division clerks were quite new to the office work having no experience in any other office. Hence their drafts were required to be corrected by the U.D.clerk.

2. Though it is noted in the office order, that only

2 out of 3 clerks were doing drafting work and 3rd clerk attending to the work of despatch, records, fair copying and distribution of tappals etc. the fair copying work was done by the typist and sanctioned for the office. This clerk had also to put up several drafts in theconnection with his duty as record clerk to see that forms, stationery, furniture are supplied to the office by the Controller of stationery, Madras. Hence all the 3 lower ~~vidivision~~ clerks are doing drafting and noting work. As the community Project division, Engineer's office was new office, it might not have been aware of Government order to the effect that prior sanction of Government is necessary for sanctioning supervision charges. This may kindly be condoned.

In the circumstances explained above, I recommend that Sri B. Parameshwara, U.D. Clerk, may please be paid the special pay at Rs.5 per month for the period he actually worked in that office i.e. from 24.12.1954 to 8.4.55. A.N. as already recommended by the in your Ref. M3. 19611/55. d/3.8.55. The connected records in the subject (file of 24 pages) is herewith appended.
